17 June 2011

Dean

This letter is addressed to those members and others who have presented models at previous EXPOs.

You are invited to attend and exhibit at Expo 2011. This year **EXPO 2011** will be held on **20 and 21 August 2011**, at the Mt Rogers Primary School, Alfred Hill Drive, MELBA ACT 2615, the same venue as for the last few years.

Timing especially for setting up will be slightly different this year because the date does not coincide with school vacations, but hopefully will not inconvenience anyone.

Friday 19th. The school will be available for set up from 3.15 pm till about 6 pm. Members will be on hand from 8.30 the following morning to assist those who travel down that day.

Saturday 20th Public opening time will be 10 am and will close for the day at 5 pm. Formal opening is expected to be at 11 am

Sunday 21st Public opening time will be 10 am and will close at 3.30 pm.

We fully understand that it is sometimes difficult to predict which models you will bring along to exhibit. Nevertheless, it would help us if you will let us know first, if you can attend and, secondly, an idea of models you might bring along. The first option is the most important to us.

This year we will not be issuing a catalogue. Instead we will ask you to complete on the day a simple card showing, for example, your name and model exhibited. After the event, we will collect these cards, prepare a list therefrom and publish it on our website in the area available generally.

Morning, lunch sausage sizzle and afternoon tea will be available as usual. Tucker will also be provided on Saturday evening shortly after the close of the Expo for the

To summarise:

1. Enter the dates of EXPO 2011 in your diary
2. Please let us know that you intend to attend **as soon as possible**
3. If you know what models you intend to exhibit and their approximate size, it would be helpful to let us know in advance. (See form on next page)
4. Please let us know, no later than Friday 19th August, but preferably earlier, that you wish to attend the Saturday evening. "tucker" box

Please let us know if there is anything we can help you with to ensure you have a very good time and that we have another successful EXPO.

We look forward to hearing from you and seeing you at Expo 2011 in August

Yours sincerely
